I probably won't be available, so let me know how it goes. We wouldn't be able to accomodate much at the IOWA. I wouldn't mind entertaining a container restaurant though.

Jonathan,

I will text you when we head on over. If you are busy its ok. I can meet with them. It's taken me a long time to get a meeting with them. I want to get their feedback to see if its a viable site location. We can always set up a subsequent meeting after LAFW.

Hi Lorena

Yes, the concept looks very interesting. I will put on my calendar but may not be able to attend due to LAFW. What is the location for the 8/23 meeting?

Hi Arley,

I contacted you yesterday because we had a meeting scheduled with Steel Craft and Mike was out of town.

However, they rescheduled their visit to Wednesday, August 23rd at 2:00pm. We are scheduled to see Eric's lot at 6th and Pacific but I wanted to show them other sites too. I don't know if Eric's lot will meet their parking requirement. I wanted to see if any of you were interested in this concept.

Here's the website if you want to check it out. I recommend you watch the video.
